This personal application tracker is designed to help you keep the paper work organized and to make sure no checks are missed which would cause a big delay on your application approval. There is no costs associated with any of these checks. ****Everyone 18 and older in the home must complete Step 1, 2, and 3****

The Three steps to becoming a fully approved Block Parent® are:

Step 1: Fill out and return the Block Parent application to the Block Parent office. This is kept at the office for contact purposes only. Generally one application per household, unless there are more than 2 individuals over 18 years of age in the household.

Step 2: Fill out Child Abuse Registry form(s) that was mailed to you from the Block Parent® Office and send the filled out forms back to the Block Parent® office.

- Date and Sign Part 1: Consent to collection & Disclosure of information and results.
- Complete part 2 – section B only. Date and Sign.
- Once complete, return to the Block Parent office. We take care of the rest.

Step 3: Complete a Personal Police Information Check (Criminal Record Check).

You may complete this step in either of two ways.

Attend in person at the Police Downtown Headquarters – 245 Smith Street

Monday to Friday (8:30 AM to 3 PM) 2 pieces of ID are required (1 photo ID)

OR

Perform an online Criminal Record Check

Use the URL resource name policeinformationcheck.winnipeg.ca

The Block Parent® Program of Winnipeg Inc. has created an account for our new and existing members to simply apply on line. You will need to upload two pieces of ID for your online application and your ID will be verified using Equifax eIDverifier. More than one email address will be needed if more than one individual in the home is being checked.

Once all three steps are complete, you will be contacted by the Block Parent® office and a sign will be delivered to your home. If you need any information or additional forms mailed out to you, please call the Block Parent® office.

THANK YOU FOR YOUR SERVICE
